

International appeal for respect of life.

On grounds that the five permanent members of UN Security Council all possess nuclear weapons of mass destruction and terror.

On grounds that in 23 October 1956 the UN created the International Agency for Atomic Energy (IAEA) which states in the second article of its statutes that : "The Agency seeks to accelerate and enlarge the contribution of atomic energy to peace, health and prosperity throughout the world. "

We demand the immediate dissolution of this international criminal organization, which, in spite of several disasters that are, de facto, crimes against nature and thus crimes against Humanity and the sustainability of the biosphere, persists in its heinous industrial and commercial practices with the active complicity of the oligarchies of the leading nations.
